

**Nomu**

## Nomu

---

Nomu is a multi-sector youth development initiative that empowers Emirati youth through high-quality training opportunities driven by the UAE's priority sectors. It aims to equip youth with the information, skills, and tools they need for success in a digital, knowledge-based economy. Nomu leverages high-level strategic partnerships with the public, private, and academic sectors to elevate the livelihoods of youth.

Nomu aims to:

Upskill

**25,000**  
**Emirati youth**  
by 2025

Create a

**globally**  
competitive talent  
pipeline

Provide

**high-quality**  
training and  
work-integrated learning  
opportunities

To reach these targets, Nomu encompasses transformative learning pathways designed to prepare youth for the future job market by equipping them with essential and in-demand technical and transferable skills.
